

## **Sullivan to Assume Duties Next Monday**

Mike Sullivan, 27, will assume his duties Monday as coordinator of Merced County's Migrant Health Services Project at Merced General Hospital, it was announced today.

A graduate of the University of San Francisco where he obtained a B.S. degree in history, Sullivan earned his master of science degree at University of Pittsburgh School of Public Health.

Prior to accepting the appointment here, Sullivan was employed by the Westinghouse Population Center in Columbia, Md., where he was engaged in a research project on family planning.

The local project, formerly administered through the county health department, was broadened in concept this year and transferred to Merced General.

It is funded in the amount of \$189,000 through the Public Health Services Division of the federal Department of Health, Education and Welfare.

Sullivan was selected by the project's Consumers' Project Policy Board and his hiring was approved by the Merced County Board of Supervisors.
