

Primary Care Since 1971

Lamprey Health Care is a community health center that provides high quality primary medical care and health related services, with an emphasis on prevention and lifestyle management, regardless of insurance status or ability to pay.

Our caring team of staff includes Board-Certified Family Physicians, OB/GYN, Nurse Practitioners, Physician Assistants, Registered Nurses and Medical Assistants, as well as specialists in Pediatrics, Women's Health, Behavioral Health, Oral Health and Nutrition.

An Exceptional Reputation

Lamprey Health Care has earned regional and national acclaim for outstanding health outcomes, community initiatives and innovative, efficient delivery of quality health care.

Come meet us today, and discover all the ways we make a difference in the health care of our patients.

Your Community Health Center

Lamprey Health Care has three centers conveniently located in Newmarket, Raymond and Nashua, and welcomes patients of all ages.

All three of our centers are recognized as Level III Patient Centered Medical Homes. This is the highest level possible through the National Committee for Quality Assurance and evidence of our commitment to provide the highest quality health care for you and your family.

Our Community Goals:

- ▶ Be a leader in providing access to medical and health services that improve the health of the individuals and families.
- ▶ Remove the barriers that prevent access to care by providing solutions such as transportation services, financial assistance and language interpretation.
- ▶ Provide and/or coordinate access to a full range of comprehensive services for our patients.
- ▶ Achieve the highest level of patient satisfaction through a personal and caring approach.
