## Early Entry to Prenatal Care

It is important to begin prenatal care early in your pregnancy. If you're pregnant or think you might be, call Lamprey Health Care for affordable prenatal care that's convenient and comprehensive.

## Prenatal Care

We offer comprehensive medical care using a specialized team approach that's focused on the wellbeing of you and your baby. Our team of Board Certified family physicians, OB/GYNs, nurse practitioners, physician assistants, and registered nurses have received regional and national acclaim for outstanding health outcomes.

## OB/GYN Services

At Lamprey Health Care you will have access to Obstetricians/Gynecologists who have years of experience, including high risk and complicated pregnancies.

## A Healthy Pregnancy

Healthy babies start with healthy moms. At Lamprey Health Care your team will include a prenatal nurse, care coordinators and a Registered Dietician to provide resources and supportive services throughout your pregnancy and childbirth.

### *Your On-Site Medical Care Team includes:*

Physician ■ OB/GYN ■ Prenatal Nurse ■ Patient Advocate  
Care Coordinator ■ Registered Dietician

*We accept Medicaid, Medicare, and most private insurances. If you don't have insurance, we have a variety of payment options and financial assistance based on your income and ability to pay. Ask us today how we can help you enroll in Medicaid and our financial assistance program.*
